good better here than we did in Chickamauga Park, and we always have plenty to eat such as it is. I am a resident of Old Loyal Blount County, and I must say I am proud of it. Since we have been in service we have met soldiers from all states, but I have seen none that excelled the Boys of Tennessee about two thirds of the boys would like to remain in the service for the full 2 years. The boys have bright hopes in view, but whether they will be realized or not I cannot say. We can only wait and trust for the best, hoping that you will find room in your paper for these few lines.

Three Doctors in Consultation.  
From Benjamin Franklin.

"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e., Theory) says is best is to be chosen in the last place. But if you can get Dr. Inelination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inelination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition.
